givejedahand #CAMH is #MentalIllness! It's also very #BUTCH! #DefeatDenial - #Dentsubis has "#transforned" (their word!) #CAMH CEO Catherine Zahn into a "#MANNISH #LESBIAN" - or was it her #handlers over at #CAMHFoundation. The trouble is given all the other #CRAP they and Zahn herself put out about her - that she's a #MOM that she's an #OPTIMIST that she has two #strapping sons who won't take #percocets even when they visit the #dentist - it all looks like a mistake like something went wrong over at the #GenderIdentity #Clinic! Is THIS why they CLOSED it?! #Onebravenight?! I bet! #Madpride!
